MAJOR PROFESSOR:

ROTATION 1: \_\_\_\_\_

ROTATION 2: \_\_\_\_\_

ROTATION 3: \_\_\_\_\_

<u>PREREQUISITE</u>	<u>PREREQ. MET</u>	<u>PREREQ. NEEDED</u>
	<u>Equivalent Courses at U.C. Riverside<sup>1</sup></u>	
Biology (2 quarters)	Biology 5A-5B (4 units – 4 units)	
General Biochemistry (2 quarters)	Biochemistry 110A,B (4 units – 4 units)* or Biochemistry 100	
	<i>*BCH 100 can substitute for BCH 110A &amp; 110B for students with primarily a chemical emphasis unless otherwise stipulated by the Guidance Committee</i>	
Molecular Biology (1 quarter)	Biology 107 (4 units) or Biochemistry 110C (4 units)	
General Chemistry (1 year)	Chemistry 1A (4 units)	
	Chemistry 1B (4 units)	
	Chemistry 1C (5 units)	

<b><u>PREREQUISITSE CONT.</u></b>	<b><u>PREREQ. MET</u></b>	<b><u>PREREQ. NEEDED</u></b>
<b><u>Equivalent Courses at U.C. Riverside<sup>1</sup></u></b>		
<b>Quantitative Chemistry (1 quarter)</b>	Chemistry 5 (5 units)*	
	<i>Students whose research emphasis is either biological or biochemical do not need to take Quant. Chem. unless required by their Guidance Committee</i>	
<b>Organic Chemistry (1 year)</b>	Chemistry 112A (4 units)	
	Chemistry 112B (4 units)	
	Chemistry 112C (5 units)	
<b>General Physics (1 year)</b>	Physics 2A (4 units)	
	Physics 2B (4 units)	
	Physics 2C (4 units)	
<b>Calculus (2 quarters)</b>	Mathematics 9A (4 units)	
	Mathematics 9B (4 units)	
<b>Statistics (2 quarters)</b>	Statistics 100A (5 units) & 100B (5 units) (Intro. To Statistics)	
	OR	
	Statistics 120A (4 units) & 100B (4 units) (experimental Techniques for Biologists)	
<b>Physical Chemistry (2 quarters)</b>	Chemistry 109 (4 units) or 110A,B (4-4). Biochemistry 184 (4 units) Physical Biochemistry may be taken with Chemistry 109 or in place of Chemistry 110B.	
	<i>Students whose primary emphasis is in a biological aspect of environmental toxicology can replace one quarter of physical chemistry with a course in Genetics, Physiology, or Microbiology unless otherwise stipulated by the student's guidance committee.</i>
